

Aohai, a firm believer of "technology-based", boasts an R& D team with nearly 900 members, and has been providing cutting-edge products for our customers and consumers.

Aohai Digital Power offers a comprehensive household energy storage product portfolio, including hybrid inverters, off-grid inverters, all-in-one energy storage systems, energy storage batteries, EV ...

Detailed profile including pictures, certification details and manufacturer PDF.

Our product ecosystem encompasses Hybrid Inverters, Off-Grid inverters, Energy Storage Batteries, All-in-One Energy Storage Systems, and EV Chargers.

Specializing in global residential energy storage, our portfolio covers hybrid/off-grid inverters, energy storage batteries, all-in-one systems and EV chargers. We are committed to empowering global ...

The AOHAI 6kW Off-grid Hybrid Inverter (Model AO-3~6KSL-G1) is a robust and intelligent energy solution designed for residential and small commercial applications. It seamlessly integrates solar ...

The AOHAI 4kW Off-grid Hybrid Inverter is a versatile and efficient energy solution designed for residential and small commercial applications. It seamlessly integrates solar power, battery storage, ...

New-generation photovoltaic inverters 1? Compatibility with all mainstream components, no need of additional expenses for other equipment, intelligent monitoring, remote control and upgrading, and ...

With a strong commitment to technological advancement and environmental stewardship, Aohai Digital Power focuses on providing reliable energy storage solutions for global home owners with a robust ...

Us and large PV modules ideal for bifacial Power input setting current, Max. PV array power.
