

Can the quilt be placed in the balcony locker

How do you store a quilt?

You can also roll quilts to avoid forming creases in them. Using a pool noodle or a cardboard roll from upholstery fabric (ask at the fabric store to see if they have any that you can have) will allow you to store them standing up in a corner of the room or a closet. Store quilts away from sunlight, which can fade the fabric.

How do you store clothes on a balcony?

The height of the space can also come to good use for clothes storage. Like with these rails that help relieve your regular wardrobe's workload. They're also ideal for airing out your clothes now and then. Just remember to open a window or two on your enclosed balcony.

Should you hang a quilt outside?

If the quilt is vintage or fragile, you should hand-wash it and hang it to dry, or only dry it partially on low heat, in order to avoid stressing the fabric. Many people suggest hanging quilts outside to dry, but you should only do that on hot and dry days in order to avoid exposing the quilt to sunlight for extended periods of time.
