

Global renewable energy developer Sungrow has signed a landmark contract with the Democratic Republic of the Congo (DRC) to develop a 233 MW solar PV plant in the Haut-Lomami ...

Representing the first large-scale solar project in the country and paving the way for future developments, the plant will advance clean energy access in the Congo, where approximately 50% ...

The Kolwezi Solar Power Station is a proposed 100 MW (130,000 hp) solar power plant in the Democratic Republic of the Congo. The power station is under development by a number of independent power producers and international financial institutions. The energy from this solar farm will be sold to the Sociéte Nationale d'Electricité (SNEL), the national electricity utility company.

The Republic of the Congo has signed a deal with Dubai-based renewable energy company AMEA Power for the construction of a 100 MW solar PV facility. The deal was signed by ...

With a focus on enhancing clean energy production capacity in the Democratic Republic of Congo (DRC), this consortium aims to develop a robust solar power facility capable of generating 100 MWac ...

India's Soleos Energy, in collaboration with Melci Holdings, has commenced construction of a 200 MW solar plant in the Democratic Republic of the Congo (DRC), with an estimated project ...

Soleos Energy, a renewable energy development company based in India, is partnering with Melci, an electrical engineering company in the Democratic Republic of Congo (DRC), to ...

India's Soleos Energy, in partnership with Melci Holdings, has started building a 200 MW solar park in the Democratic Republic of the Congo (DRC). The project is set for commissioning by ...

Indian renewables developer and builder Soleos Energy and a partner specialising in electrical engineering, namely Melci Holdings, are getting ready to commence construction of a 200 ...

On the vast plateau of the Republic of Congo, a 63.32MW solar power plant is rising from the ground--a project that embodies both hope and challenge. As an important strategic project for GraceSolar in ...
