Okay, so I have an LG CU720 (the Shine). I have had this phone for about seven or eight months now - not too terribly long. However, this morning I tried to get on the internet from my ...

I have Internet 75. The steaming programs on my tv often freeze, buffer or just crash. Only 1 tv on at a time. Can I get higher speed? Can I get service at my home?

Bought iPhone watch for spouse as Christmas present. Asked there be no electronic notification. I was assured there wouldn't be. Within minutes my spouse received a text about the ...

Does AT& T have an approximation on when the 5.0 update for the Galaxy s5 will be released? U.S. carriers tend to be last so was wondering if you knew when and what version AT& T ...

Please helpI would like to talk to someone . I just need help switching to a new sim card

Since the 31st I've been trying to get my phone unlocked. Ever since then, I've been given the run around.I have a S9 plus that I've had under a installment agreement since it came out. Last ...
