

This meets the high-precision fitting requirements for PV frame assembly and bracket installation, effectively avoiding module water leakage, loose installation, and other issues caused by processing ...

It's two and a half metres high and one metre wide. The corn grew waist-high (= as high as a person's waist) in the fields. high The garden is surrounded by a high wall. tall Mount Everest is the world's ...

This article explores the key features, benefits, and advancements of photovoltaic solar panel accessories drilling tapping cutting machine in the context of PV solar panel accessory production.

Photovoltaic Bracket Punching Machine Gasoline Drilling Steel Punching Artifact Photovoltaic Power Generation Pile Drilling. Carburetor Type: Diaphragm. Product rotation: idle ...

High (adjective, informal): Intoxicated by drugs or alcohol. The word "high" is a versatile term with multiple meanings and applications, spanning physical elevation, emotional states, and ...

Loading...

This lithium battery-powered drilling machine is professionally designed for the efficient installation of photovoltaic bracket systems. Its compact and portable structure ensures easy transportation and ...

This equipment has undergone a complete redesign and manufacturing process, with customized R& D centered on drilling operations. It fully aligns with construction requirements in terms of both ...

If something is high, it is a long way above the ground, above sea level, or above a person or thing. I looked down from the high window. The bridge was high, jacked up on wooden piers. The sun was ...

"As a society, we are often remiss in recognizing and offering gratitude for those whose kindness and professionalism brighten our lives. Accolades, however, in this case are richly deserved because of ...

1) It can complete drilling work in different applications, such as in solar power station as solar post pile driver, in highway building as post piling rig. 2) This photovoltaic drilling rig has optional configuration ...

Definition of high adjective in Oxford Advanced American Dictionary. Meaning, pronunciation, picture, example sentences, grammar, usage notes, synonyms and more.

HIGH definition: having a great or considerable extent or reach upward or vertically; lofty; tall. See examples

of high used in a sentence.

The SPV-385Y Photovoltaic Drilling Machine is a professional equipment for solar panel installation, featuring advanced multi-angle adjustment capabilities for optimal drilling in diverse terrains.

This machine, tailored for photovoltaic power plant construction, delivers high-speed performance with a pile driving efficiency of 3,000 mm/min. It handles pile heights of up to 6000 mm ...

Specially designed for solar power station piling construction, it adopts high-efficiency hydraulic system with strong power and stable operation. Adaptable to mountainous and hard soil and other complex ...
