

For over 40 years we have been designing and manufacturing COTS and custom Military-Grade AC-DC power supply solutions for air, ground and naval applications. We offer a wide variety of units ...

Understanding these factors can provide valuable insights for anyone exploring the potential of the Power Supply industry in Israel.

Summary: Explore how Israeli-engineered outdoor power supplies are transforming energy accessibility in rugged environments, emergency scenarios, and off-grid adventures.

AGMA - AC/DC, DC/DC switching power supply or converter or regulator, for military and civilian application, PFCs, INVERTERS and other power systems

We offer High Voltage Power Supplies with useful tools for automated test, process control, laboratory automation, research & analysis and for industrial automation applications.

The compact GUS series of single output AC-DC industrial power supplies are available with 12V, 24V, 36V and 48V outputs in an economic, compact footprint and can deliver up to 350, 600 or 1000W.

Since 2006, we started to endeavor the effort to the LED / outdoor power supply development. Thus far, full range of LED power family with more than 1000 models (100 series) from 8W to 600W was ...

Farnell Israel offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support.

Wide range of high performance passive and active POE midspans, injectors and racks, from 15W to 90W / port, IEEE802.3 at /af / bt compliant, supporting 1G and 5G transmission rates, suitable for ...
