

Ivory Coast IP55 Outdoor Cabinet with Grid Connection

Perfect for industrial equipment, electrical cabinets, and outdoor installations, our enclosures offer customizable solutions for renewable energy, telecommunications, and more.

Built with a strong frame, the side panels feature a double-layer structure with a 1" void to help with heat transfer and meets GB4208-93 standard and IP55 (water/dust ingress) while providing ventilation.

These cabinets are UV-resistant aging, corrosion-resistant, acid and alkali resistant, wind-resistant, waterproof, and shock-resistant, with a more robust and durable structure.
