

Wind power user external cabinet 800mm depth

What is a 42U NavePoint commercial server cabinet?

The 42U NavePoint Commercial Series network server cabinets have capacity and quality --everything it takes to get the job done right for your high-density applications that rack and store a range of 19-inch equipment like servers, patch panels, PDUs, routers, and more.

Are NavePoint cabinets heavy duty?

The Commercial Series cabinets define heavy duty - the 42U model holds a static load of 3000 lbs (stationary). The NavePoint Commercial Series cabinets come pre-assembled for easy setup and include pre-installed heavy-duty locking casters for mobility, and leveling feet for use when the fully racked cabinet needs to stay in place.

What are the benefits of EIA/ECA 310E compliant doors?

Glass front and French rear doors improve airflow. Quick-release, locking side panels give easy access; extra depth simplifies cable management and PDU installation behind equipment. Customize to the needs of your large, complex jobs with all EIA/ECA 310E compliant accessories like 4-post shelves, fan panels, cable management, PDUs.
